 If other, please list.

 Tell us about the history of your organization/project and how it got started.

 Tell us about your audience, or community. Who do you work with?

 Who is attracted to your programming?

 Who isn't part of your community you'd like to see join?

 What impact have you seen from your work or what potential impact do you hope to see soon?

 How do you, or will you know, if you're successful?

 What do you excel at?

 What specific feedback or metrics lead you to believe that your programs are "excellent" (better than good)?

 In what ways do you go "above and beyond" to deliver a high quality user experience?

 How do you hope this work will help change the Jewish community?

 Can you share any media buzz about your organization/project? (Social media posts, blog posts, articles, etc.)

 How do you fund your work? (Foundation/Federation support, individual donations, earned income, etc.) How does this reflect your program or your constituency? How might this change in the future? If you receive foundation support, please list up to three of your foundation funders.

 If you would like to explain anything else about your financial statements, please use this space to do so. This is entirely optional and here in case you need it.
